

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN**

WISCONSIN ALUMNI RESEARCH
FOUNDATION,

Plaintiff,

v.

APPLE INC.,

Defendant.

Case No. 14-cv-00062-WMC

WARF'S NOTICE REGARDING ITS CLAIM FOR PRE-SUIT DAMAGES

To further streamline the case, plaintiff, Wisconsin Alumni Research Foundation (“WARF”) hereby gives notice that it is withdrawing its claim for pre-suit damages. As a result, the damages period in this case commences on January 31, 2014, the date on which WARF filed the present lawsuit. WARF does so without prejudice to its position that Apple has not come forward with evidence regarding which, and how many (if any), Intel processors made and sold in the United States after the 2009 WARF/Intel settlement are actually covered by any claim of the ‘752 patent. Other than its claim for pre-suit damages, WARF waives no other claim, issue or argument hereby.

Respectfully submitted,

Dated: October 12, 2015
